## Application for Concurrent Enrolment

Combined degree students are permitted to concurrently enrol in their first (non-law) degree and Combined Law Year 4 units under the following conditions:

- (i) a Combined degree student has less than a full-time study load to complete in order to qualify for the award of their first (non-law) degree and seeks to be enrolled full-time by undertaking a limited number of Combined Law Year 4 units of study;
- (ii) a student may not be enrolled in more than 24 credit points in total per semester;
- (iii) a student may not be concurrently enrolled for more than two semesters. A concurrent enrolment cannot be extended under any circumstances.
- (iv) a student's proposed program of study satisfies the progression rules of the Bachelor of Laws.

If your enrolment is found to exceed 24 credit points per semester during an approved period of concurrent enrolment, approval will be revoked and your enrolment in law units of study will be automatically withdrawn.
